How Do We Apply for a TEENPOWER Grant?

Step One: Research and Planning

Continue to work with your youth to determine where there is a need in your community for drug/alcohol/tobacco prevention and intervention activities and finalize the project you started during TEENPOWER. Have a new idea? Find a way to adapt the project you brainstormed at TEENPOWER or create a new project.

Step Two: Completing the Application

- Be specific and give as much information as necessary to complete each question.
- Youth Resources believes that the youth deserve to be recognized for their hard work! You will notice in the budget section of the application that 5% of each grant must be used towards youth recognition.
